1. STATEMENT OF INTENT

The prime statutory duty of governing bodies in England, as set out in paragraph 21(2) of the Education Act 2002 is to "...conduct the school with a view to promoting high standards of educational achievement at the school." The pay policy is intended to support that statutory duty.

The Board of Trustees and Local Governing Bodies of Children's Endeavour Trust will act with integrity, confidentiality, objectivity and honesty in the best interests of the school; will be open about decisions made and actions taken, and will be prepared to explain decisions and actions to interested persons. Its procedures for determining pay will be consistent with the principles of public life: objectivity, openness and accountability.

This policy applies to all Children's Endeavour Trust staff. Where different arrangements apply to different groups of staff by virtue of their terms and conditions of employment, this is clearly stated.

For all staff, pay progression will be clearly attributable to the individual's performance and the pay committee will be able to objectively justify its decisions.

2. EQUALITIES LEGISLATION

The Board of Trustees and Local Governing Bodies will comply with relevant equalities legislation, including the following legislation, as amended:

- Employment Relations Act 1999
- Equality Act 2010
- Employment Rights Act 1996
- The Part-time Workers (Prevention of Less Favourable Treatment) Regulations 2000
- The Fixed-term Employees (Prevention of Less Favourable Treatment) Regulations 2002
- The Agency Workers Regulations 2010.

The Board of Trustees and Local Governing Bodies will promote equality in all aspects of school life, particularly as regards all decisions on advertising of posts, appointing, promoting and paying staff, training and staff development. See 'Board of Trustees and Local Governing Body obligations' in relation to monitoring the impact of this policy.

3. EQUALITIES AND PERFORMANCE RELATED PAY

The Board of Trustees will ensure that its processes are open, transparent and fair. All decisions will be objectively justified. Adjustments will be made to take account of special circumstances, eg, an absence on maternity or long-term sick leave. The exact adjustments will be made on a case-by-case basis, depending on the individual employee's circumstances and the school's circumstances.

4. JOB DESCRIPTIONS

The Headteacher will ensure that each member of staff is provided with a job description in accordance with the staffing structures agreed by the Local Governing Bodies (see Appendix 1). Job descriptions may be reviewed from time to time, in consultation with the individual employee concerned, in order to make reasonable changes in the light of the changing needs of the school. Job descriptions will identify key areas of responsibility. All job descriptions will be reviewed annually as part of the appraisal process.

5. ACCESS TO RECORDS

The Headteacher will ensure reasonable access for individual members of staff to their own employment records.

6. APPRAISAL

The Secretary of State for Education has emphasised that tackling school leader and teacher workload remains a priority for the Department so that schools can continue to focus on what matters most – teaching and learning. Therefore, the local authority advises that in collating evidence for appraisals, leaders and teachers are encouraged to take a pragmatic approach to the appraisal process and assessment will be based on evidence from a range of sources, as described in the Trust's Appraisal Policy.

Although the school will establish a firm evidence base in relation to the performance of all employees, there is a responsibility on the individual and their appraiser to work together. Employees should gather any evidence that they deem is appropriate in relation to their objectives and other relevant criteria (e.g. the Teachers' Standards and criteria to be paid on Upper Pay Range), so that such evidence can be taken into account at the performance review.

Appraisal objectives will become more challenging as staff progress up their pay range/grade.

Where not already directly responsible for objective setting and pay recommendations, the Headteacher will moderate these to ensure consistency and fairness.

7. BOARD OF TRUSTEES AND LOCAL GOVERNING BODY

OBLIGATIONS

The Board of Trustees will fulfil its obligations to:

- Teachers: as set out in the School Teachers' Pay and Conditions Document ('the Document') and the Conditions of Service for School Teachers in England and Wales (commonly known as the 'Burgundy Book'). The Board of Trustees and Local Governing Body will also comply with The Education (School Teachers' Appraisal) (England) Regulations 2012 concerning the appraisal of teachers;
- Support staff: as set out in the National Joint Council for Local Government Services National Agreement on Pay and Conditions of Service (Green Book) and Suffolk County Council's Single Status Agreement and local pay and grading arrangements, as they apply to schools and where not already amended as described in this policy or the school's appraisal policy.

The Board of Trustees will consider any updated policies to ensure that the appropriate arrangements for linking appraisal to pay are in place, can be applied consistently and that their pay decisions are properly documented and can be objectively justified. It will at all times assure itself that public money is being used effectively and with propriety, as necessary, seeking appropriate independent advice and complying with audit requirements.

The Board of Trustees and Local Governing Body will ensure that it makes funds available to support pay decisions, in accordance with this pay policy (see paragraph 13. Procedures) and the school's spending plan.

The Board of Trustees will monitor the outcomes of pay decisions, including the extent to which different groups of staff may progress at different rates, ensuring the schools' continued compliance with equalities legislation.

8. CHIEF EXECUTIVE OFFICER AND HEADTEACHER OBLIGATIONS

The Chief Executive Officer will:

- Develop clear arrangements for linking appraisal to pay progression and consult with headteachers and Trust JCNC representatives on the appraisal and pay policies;
- Submit any updated appraisal and pay policies to the Board of Trustees for approval;

The Headteacher will:

- Ensure that effective appraisal arrangements are in place and that any appraisers have the knowledge and skills to apply procedures fairly;
- Submit pay recommendations to the governing body and ensure the governing body has sufficient information upon which to make pay decisions;
- Ensure that all staff are informed about decisions reached and that records are kept of recommendations and decisions made.

9. EMPLOYEE OBLIGATIONS

Employees will:

- Engage with appraisal - this includes working with their appraiser to ensure that there is a secure evidence base in order for an annual pay determination to be made;
- Keep records of their objectives and review them throughout the appraisal process;
- Share any evidence they consider relevant with their appraiser;
- Under normal circumstances ensure they have, as a minimum, an annual review of their performance.

10. DIFFERENTIALS

The need to create or maintain appropriate differentials between posts within the school will be considered, recognising: accountability and job weight; the Board of Trustees and Local Governing Body's need to recruit, retain and motivate sufficient employees of the required quality at all levels; and the more recent removal from the Document of prescribed differentials between leadership posts.

11. DISCRETIONARY PAY AWARDS

Criteria for the use of pay discretions are set out in this policy and discretionary awards of additional pay will only be made in accordance with these criteria.

12. SAFEGUARDING OF PAY

Where a pay determination leads or may lead to the start of a period of safeguarding, the Board of Trustees and Local Governing Body will comply with the relevant provisions of the Document or support staff terms and conditions of employment and will give the required notification as soon as possible and no later than one month after the determination.

13. PROCEDURES

At Children’s Endeavour Trust, the Trust Board will be the committee with final responsibility for pay decisions for the CEO and Headteachers, the Local Governing Bodies will be the committees with final responsibility for pay decisions for school staff.

The Local Governing Body will determine the annual pay budget on the recommendation of the Trust Board.

The Board of Trustees has delegated its pay powers to the Local Governing Bodies. Any person employed to work at the school, other than the head, must withdraw from a meeting at which the pay or appraisal of any other employee of the school is under consideration. The CEO or head must withdraw from that part of the meeting where the subject of consideration is their own pay. A relevant person must withdraw where there is a conflict of interest or any doubt about their ability to act impartially.

The Human Resources and People Committee will lead the CEO’s performance management review and target setting meeting. It will be attended by two Trustees from this committee and an external adviser to offer advice. The CEO will withdraw while the committee reaches its pay decision.

The CEO will lead the Headteachers’ performance management review and target setting meetings. It will be attended by two trustees from the Human Resources and People Committee and an external adviser to offer advice. The Headteachers will withdraw while the committee reaches pay decisions.

The terms of reference for the Board of Trustees and Local Governing Bodies will be determined from time to time by the Board of Trustees, in accordance with the Scheme of Delegation and can be [found in Appendix 5].

Reports relating to performance management will be placed in the confidential section of the Board of Trustees and relevant Local Governing Body’s agenda and will either be received or referred back. Reference back may occur only if the Board of Trustees and Local Governing Bodies have exceeded their powers under the policy.

14. ANNUAL DETERMINATION OF PAY

All staff salaries will be reviewed annually to take effect, where headroom is available, from:

- 1 September for all teaching staff, including the head, deputy head(s), assistant head(s); or
- 1 April for all support staff.

The school will endeavour to complete support staff annual pay reviews between 1 April and the end of the summer term, teachers’ annual pay reviews by 31 October and the

CEO and Headteacher's annual pay review by 31 December. They will, however, complete the process without undue delay.

Annual pay progression is not automatic. It will only be considered where staff have met the expectations described in this policy, the Trust's Appraisal Policy and through their appraisal process, and will be subject to the maximums of the employee's relevant pay range/grade/grade mid-point and the governing body's annual decision-making processes.

Pay progression will not be considered during any probationary period. Normal appraisal and pay review arrangements will apply following the successful completion of any probationary period and, for support staff, subject to the "11-month rule" described in paragraph 21 of this policy.

15. ABSENCE AND/OR PARTIAL ACHIEVEMENT OF OBJECTIVES

Where any member of staff has been absent for some or all of the appraisal period, for example, as a result of long-term sickness absence or maternity/adoption/shared parental leave, the assessment in relation to pay progression will be based on performance during any period of attendance and/or prior performance.

In exceptional circumstances, for example, where objectives have not been fully met due to factors entirely outside the control of the reviewee, the reviewer may apply discretion in recommending pay progression. Such discretion will normally only be applied where:

- For teachers: competency in all elements of the Teachers' Standards and 'good' teaching overall have been demonstrated, as described below
- For support staff: the standard of work more generally has been of a high level.

16. NOTIFICATION OF PAY DETERMINATIONS

Decisions will be communicated to each member of staff by the Headteacher, in writing, at the earliest opportunity and no later than one month after the pay determination. Decisions on the pay of the CEO and heads will be communicated by the Trust Board, again, in writing. All communication regarding pay determinations will set out the reasons why decisions have been taken. An instruction to amend pay from the relevant date will be issued as soon as practicable after the pay decision has been made.

In accordance with the Document, pay statements given to teachers, as part of the regular review process or when other pay decisions are taken, will state all remuneration, including any allowances, any payments or other financial benefits for recruitment and retention purposes, any safeguarded sums and any fixed term arrangements, as well as where a copy of the Trust's pay policy and staffing structure can be inspected.

17. PART-TIME EMPLOYEES

The CEO, head and (governing body will use their best endeavours to ensure that all part-time employees are treated no less favourably than a full-time comparator. For teaching staff, this will include the Board of Trustees and Local Governing Body applying the provisions of the Document in relation to part-time teachers' pay and working time.

18. SALARY SACRIFICE ARRANGEMENTS

The Trust operates salary sacrifice schemes in relation to Childcare Vouchers. Staffing choosing to participate in this scheme will have their gross pay reduced according to the terms of the scheme for the duration of their participation.

19. APPEALS PROCEDURE

The appeals procedure in relation to pay decisions for all staff is set out in Appendix 4 of this policy.

The following sections of the policy cover further pay arrangements as they apply to, firstly, Support Staff and, secondly, Teaching Staff.

PAY ARRANGEMENTS SPECIFIC TO SUPPORT STAFF

20. SUPPORT STAFF PAY

Salary on appointment

- 20.1 The Board of Trustees notes its powers to determine the pay of support staff in accordance with paragraph 17 and 29 of the School Staffing (England) Regulations 2009 and Chapter 7 of the associated guidance. The pay committee will determine the pay grade of support staff on appointment in accordance with the scale of grades currently applicable in relation to employment with the Trust (where relevant), which the pay committee consider appropriate for the post.
- 20.2 The local governing body will determine the pay range to be advertised, taking account of the full responsibilities of the post and, where relevant, guidance on Single Status benchmark job descriptions.
- 20.3 Appointment in each case will normally be within the lower part of the grade (see Appendix 6), unless the post is specifically designated as appropriately placed in the higher part. Salary on appointment will normally be to the lowest point of that grade. Where the school is satisfied that it is necessary to pay a higher starting salary in order to attract the best candidate, the appointment may be made at any point up to and including the point below 'the bar' (midpoint of the grade).

Serving support staff

- 20.4 In any year in which the Board of Trustees/Local Governing Body agrees to award incremental progression to support staff, progression within the relevant part of the grade will be by a single increment, which is dependent on successful performance in post, as assessed through the appraisal process. Further information is contained in the school's Appraisal Policy.
- 20.5 Where performance has been assessed as exceptional, the Board of Trustees/Local Governing Body may apply its discretion and award enhanced progression of an additional point, where there is scope for this within the relevant part of the pay grade.
- 20.6 To ensure that an employee who is new in post is able to benefit from, where available, incremental progression when performance supports this, the school will ensure forward objectives are set as soon as possible set upon completion of any probationary period and that an appraisal review is completed within four to six months of this. Provided that this is done, an increment will be paid from the first day of eleventh month after the employee's start date. This is referred to elsewhere as the "eleven-month rule". After that, the employee will fit into the normal appraisal review cycle.
- 20.7 The eleven-month rule will be applied to pay progression following promotion or the re-grading of an employee's post.

Acting-up Payments and Honoraria

- 20.8 The Board of Trustees/Local governing body may determine to make an acting-up payment or an honorarium.
- 20.9 An acting-up payment may be appropriate where an employee takes on the full duties of a more senior post for a substantial period (usually four weeks or more) in the absence of the post-holder or where there is a vacancy pending recruitment to a vacant post. Where an acting-up payment is agreed, the employee will receive a salary which is not less than the minimum point of the salary for the “acting-up” post, and at least one incremental point higher than their substantive salary.
- 20.10 An honorarium may be appropriate where an employee takes on additional duties of a higher paid post for a temporary period (for whatever reason), but not the full duties. Where an honorarium payment is agreed, the school will estimate the proportion of the duties at the higher level which the employee has undertaken, the period over which the duties have been undertaken and calculate a payment. Honoraria will normally be paid as a lump sum retrospectively.

PAY ARRANGEMENTS SPECIFIC TO TEACHING STAFF

Pay decisions relating to performance in the 2018-19 academic year will be made in accordance with the school's Pay and Appraisal Policies for 2018-19. The following paragraphs set out the arrangements for appointments or determinations made on or after 1 September 2019 and for pay decisions relating to performance throughout the 2019-20 academic year.

21. PAY RANGE FOR LEADERSHIP POSTS

- 21.1 Leadership postholders will be paid in accordance with the pay ranges for school leaders set out in Appendix 2. In any determination or re-determination of leadership pay, the pay range for the Headteacher will start no lower than the minimum of the relevant Headteacher Group and the pay range for any Deputy or Assistant Headteacher will start no lower than the Leadership Minimum.
- 21.2 Wider leadership posts will need to meet the basic criterion of 'leadership responsibilities across the whole school' to be paid on the leadership pay ranges.
- 21.3 The governing body may seek independent advice and/or benchmarking data, as appropriate, when determining leadership pay.
- 21.4 The governing body will record the rationale for leadership pay determinations and the reasons for any re-determination of pay.
- 21.5 The governing body has determined that the pay points set out in Appendix 6 will apply to all leadership posts within the school, subject to the individual Leadership Pay Range determined for each post.

Headteacher, Deputy Headteacher or Assistant Headteacher - Pay on appointment, or following a significant change in responsibilities, or following an associated review of leadership pay

- 21.6 In accordance with the document, the Board of Trustees will determine leadership pay on appointment and may re-determine leadership pay following any significant change in responsibilities. It may also determine that it is necessary to review the pay of all leadership posts to maintain consistency either with pay arrangements for new appointments to the leadership group made on or after 1 September 2014, or with pay arrangements for members of the leadership group whose responsibilities have significantly changed after that date.
- 21.7 The Board of Trustees will determine CEO pay on appointment and may re-determine pay following any significant change in responsibilities. The Board of Trustees will determine the CEO leadership range based on the responsibilities of the role.

- 21.8 The Board of Trustees in conjunction with the Local Governing Body will assign the school to a Headteacher Group (see Appendix 2) by reference to the school's total unit score, calculated in accordance with the Document, before determining the Leadership Pay Range for the post.
- 21.9 When determining the Leadership Pay Range, the Board of Trustees/Local Governing Body will take into account:
- All the permanent responsibilities of the role, including any permanent responsibility as the headteacher of more than one school
 - Any challenges that are specific to the role
 - All other relevant considerations, for example, any recruitment and retention difficulties, the requirement for a fixed-term appointment or candidate specific factors, including how well the appointee meets the requirements of the post and how much room is appropriate for progression for the individual.
- 21.10 The Board of Trustees /governing body may also determine to use its discretion to set the leadership pay range up to 25% above the Headteacher Group. In exceptional circumstances and where supported by a business case, and having sought external independent advice, the Board of Trustees /Local Governing Body may agree to award above the 25% limit.

Serving CEO, Headteachers, Deputy Headteachers and Assistant Headteachers

- 21.11 The Trust Board will review the CEO, Headteacher, Deputy Headteacher and Assistant Headteacher's pay in accordance with the Document, the school's Appraisal policy and this policy, having regard to the most recent appraisal report and the recommendation on pay that it contains. It will award one point progression where there has been a sustained high quality of performance, with particular regard to leadership, management and pupil progress at the school. The Board of Trustees may consider awarding two point progression where performance is assessed as having significantly exceeded the sustained and high quality of performance that must be demonstrated for one point progression.
- 21.12 All pay decisions (i.e. no movement, one point, more than one point) will be clearly attributable to the performance of the postholder. The Trust Board and Local Governing Bodies will be able to justify its decisions.
- 21.12 The Board of Trustees may re-determine the pay range for a serving CEO, Headteacher, Deputy Headteacher or Assistant Headteacher in accordance with the above arrangements and the Document, as at 1 September or at any time if it considers it is necessary to reflect a significant change in the responsibilities of the post.
- 21.13 The Board of Trustees may also choose to review the pay of all of its leadership posts under the arrangements within the Document if it determines that this is required to maintain consistency with pay arrangements for new appointments to the leadership team made on or after 1 September 2014.

Temporary Payments to the Headteacher

- 21.14 An additional Temporary Payment (of up to 25% of annual salary) in accordance with the provisions of the Document will only be considered for additional Headteacher responsibilities that are undertaken on a temporary basis, and which have not already been taken account of when setting base pay, for example, any temporary responsibility for additional schools. No additional payment will be considered for local collaboration as this forms part of the role of all Headteachers.
- 21.15 Ordinarily, the pay committee will ensure that the total sum of salary and any other payments made to the headteacher in any school year does not exceed 25% above the maximum of the headteacher group, excepting any additional payments made for residential duties that are a requirement of the post or payment in respect of relocation benefits which relate solely to the personal circumstances of the headteacher.
- 21.16 In wholly exceptional circumstances, the pay committee will consider using its discretion to exceed the normal limits on temporary payments and the sum of total salary, as set out in the Document. However, before agreeing to do so, it will seek the agreement of the governing body which in turn will seek external independent advice before providing such agreement.
- 21.17 The Board of Trustees may appoint a headteacher on a fixed-term contract where it determines that the circumstances of the school require it. In establishing such a contract the relevant body will consider how reward should be structured and whether achievement of objectives should be assessed over a shorter or longer timescale than would normally be the case.

22. ACTING ALLOWANCES

The governing body may determine to pay an acting allowance in accordance with the Document to any teacher who is assigned and carries out the duties of head, deputy head or assistant head. The pay committee will, within a four week period of the commencement of acting duties, determine whether or not the acting postholder will be paid an allowance. In the event of a planned and prolonged absence, an acting allowance will be agreed in advance and paid from the first day of absence.

Any teacher who carries out the duties of a head, deputy head, or assistant head, for a period of four weeks or more may be paid at an appropriate salary on the leadership pay range with payment backdated to the commencement of the duties, as determined by the pay committee. Where a pay range has been determined for the post for which an acting payment is being made, the 'appropriate salary' should not be lower than the minimum of that range.

23. OTHER TEACHERS

Pay on appointment (Unqualified, Main, Upper and Leading Practitioner pay ranges)

The Local Governing Body will determine the starting salary of any teaching post on the Unqualified, Main, Upper and Leading Practitioner pay ranges, having regard to:

- The requirements of the post;
- Any specialist knowledge required for the post;
- The experience required to undertake the specific duties of the post;
- The wider school context.

The governing body will, if necessary, use its discretion to award a recruitment incentive benefit to secure the candidate of its choice.

24. PAY PROGRESSION FOR EXISTING MAIN PAY RANGE

TEACHERS

The pay scale for Main pay range teachers at the Children's Endeavour Trust is:

Minimum (statutory minimum)	£ 24,373
Ref point 2	£ 26,298
Ref point 3	£ 28,413
Ref point 4	£ 30,599
Ref point 5	£ 33,010,
Ref point 6a	£ 35,619
Max (point 6b)	£ 35,971

To move up the main pay range, one annual point at a time, teachers will need to have met their objectives, shown that they are competent in all elements of the Teachers' Standards and teaching should be 'good' overall (based on successful appraisal and meeting all professional Teachers' Standards:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/208682/Teachers_Standards_2013.pdf)

If the evidence shows that a teacher has performed exceptionally, including overall teaching being consistently outstanding, the governing body will consider the use of its flexibilities to award enhanced pay progression, up to the maximum of one additional point.

Judgements will be properly rooted in evidence. As a teacher moves up the main pay range, this evidence should show:

- An increasing positive impact on pupil progress;
- An increasing impact on wider outcomes for pupils;
- Improvements in specific elements of practice identified to the teacher, e.g. behaviour management or lesson planning;
- An increasing contribution to the work of the school;
- An increasing impact on the effectiveness of staff and colleagues.

Further information, including sources of evidence is contained in the Trust's appraisal policy.

The Local Governing Body will be advised by the Headteacher in making all such decisions. Any increase (i.e. no movement, one point, more than one point) will be clearly attributable to the performance of the teacher in question. The Local Governing Body will be able to justify its decisions.

25. APPLICATIONS TO BE PAID ON THE UPPER PAY RANGE

Any qualified teacher can apply to be paid on the Upper Pay Range. However, in order to be able to demonstrate that they meet the assessment criteria set out in the Document (see below), particularly around the teacher's achievements and contribution to the school being substantial and sustained, it is likely that applications will be submitted by teachers with a number of years of classroom teaching experience, typically a minimum of three years and often significantly more. It is the responsibility of the teacher to decide whether or not they wish/when to apply to be paid on the Upper Pay Range.

If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the UPR in that school(s). This school will not be bound by any pay decision made by another school.

Applications will normally include the results of the two most recent appraisals in this school, including any recommendation on pay. Where such information is not applicable or available, e.g. those newer to teaching or returning from maternity or sickness absence, a written statement and summary of evidence designed to demonstrate that the applicant has met the assessment criteria must be submitted by the applicant.

In order for the assessment to be robust and transparent, it will be an evidence-based process only. Teachers therefore should ensure that they build a mainly paper

evidence base to support their application. Those teachers who are not subject to the Appraisal Regulations 2012, or who have been absent, through sickness, disability or maternity, may cite written evidence from a 3-year period before the date of application in support of their application.

Process:

One application may be submitted annually (see application form in Appendix 3). The closing date for applications is normally 31st October each year; however, exceptions will be made in particular circumstances, e.g. those teachers who are on maternity/adoption/shared parental leave or who are currently on sick leave. The process for applications is:

- The teacher must complete the application form (Appendix 3);
- The teacher should submit the application form and supporting evidence to the Headteacher by the cut-off date of 31st October;
- The teacher will receive notification of the name of the assessor for their application within 5 working days;
- The assessor will assess the application, which will include a recommendation to the Local Governing Body
- The application, evidence and recommendation will be passed to the Headteacher for moderation purposes, if the Headteacher is not the assessor;
- The Local Governing Body will make the final decision, advised by the Headteacher;
- The teacher will receive written notification of the outcome of their application by 30th November. Where the application is unsuccessful, the written notification will include the areas where it was felt that the teacher's performance did not satisfy the relevant criteria set out in this policy (see 'Assessment' below);
- If requested, oral feedback which will be provided by the assessor. Oral feedback will be given within 10 school working days of the date of notification of the outcome of the application/request for feedback. Feedback will be given in a positive and encouraging environment and will include advice and support on areas for improvement in order to meet the relevant criteria;
- Successful applicants will move to the minimum of the UPR on 1 September [*either*: following the application, *or*: of the year in which the application was submitted];
- Unsuccessful applicants can appeal the decision. The appeals process is set out in Appendix 4.

Assessment:

The teacher will be required to meet the criteria set out in the Document, namely that:

- The teacher is highly competent in all elements of the relevant standards; and

- The teacher’s achievements and contribution to the school are substantial and sustained.

In this trust, this means:

“highly competent”: the teacher’s performance is assessed as having exceptional depth and breadth of knowledge, skill and understanding of the Teachers’ Standards in the particular role they are fulfilling and the context in which they are working.

“substantial”: the teacher’s achievements and contribution to the school are significant, not just in raising standards of teaching and learning in their own classroom, or with their own groups of children, but also in making a significant wider contribution to school improvement, which impacts on pupil progress and the effectiveness of staff and colleagues.

“sustained”: typically, the teacher will have had two consecutive successful appraisal reports in this school and will have met their objectives during this period (see exceptions, e.g. maternity/sick leave, in the introduction to this section). They will be expected to show that their teaching expertise has grown over the relevant period and is consistently good to outstanding.

Further information, including information on sources of evidence is contained within the Trust’s appraisal policy.

26. PAY PROGRESSION FOR EXISTING UPPER PAY RANGE

TEACHERS

The pay scale for Upper Pay Range teachers in this school is:

	Column A
Pay reference points	2019-20 rates 2.75% increase to all points <i>Built on a 2% increase to all points in 2018-19</i>
Minimum	£37,654
Reference point 2	£39,050
Maximum	£40,490

To move up the main pay range, one point biennially, upper pay range teachers will need to have had two successful performance reviews in which they have met their objectives, maintained the criteria set out in paragraph 26 (namely that the teacher is highly competent in all elements of the relevant standards; and that the teacher's achievements and contribution to the school are substantial and sustained, as defined above) and teaching should be overall 'good' (based on successful appraisal and meeting all professional Teachers' Standards) and increasingly 'outstanding'.

Where it is clear from the evidence that the teacher's performance has been exceptional in relation to the above criteria, teaching is consistently outstanding and the teacher has exceeded some or all of their objectives, the pay committee may use its flexibility to decide on enhanced progression from the minimum to the maximum of Upper Pay Range.

Further information, including sources of evidence is contained within the school's appraisal policy.

The Local Governing Body will be advised by the Headteacher in making all such decisions. Any increase (i.e. no movement, one point, more than one point) will be clearly attributable to the performance of the teacher in question. The Local Governing Body will be able to justify its decisions.

27. LEADING PRACTITIONER ROLES

The Board of Trustees will take account of the Document when determining the role and pay range (including pay points) of any [future] leading practitioner role in this school. Additional duties will be set out in the job description of any leading practitioner and will include:

- A leadership role in developing, implementing and evaluating policies and practices in the school that contribute to school improvement;
- The modelling and leading improvement of teaching skills within school;
- Improving the effectiveness of staff and colleagues, within school and other settings as appropriate, defined by the Headteacher.

The Headteacher will agree appraisal objectives for any leading practitioner.

To move up the agreed leading practitioner pay range, one annual point at a time, the most recent appraisal should show that the leading practitioner:

- Has met their objectives;
- Is an exemplar of teaching skills, which should impact significantly on pupil progress, within school and within the wider school community, if relevant;
- Has made a substantial impact on the effectiveness of staff and colleagues, including any specific elements of practice that have been highlighted as in need of improvement;
- Is highly competent in all aspects of the Teachers' Standards;
- Has shown strong leadership in developing, implementing and evaluating policies and practice in their workplace that contribute to school improvement.

“Highly competent” and “substantial” are defined in the section entitled, “Applications to be paid on the Upper Pay Range”.

Where it is clear from the evidence that the teacher's performance is exceptional, the pay committee may award enhanced pay progression of one additional point.

Further information, including sources of evidence is contained within the school's appraisal policy.

The Local Governing Body will be advised by the Headteacher in making all such decisions. Any increase (i.e. no movement, one point, more than one point) will be clearly attributable to the performance of the teacher in question. The pay committee will be able to justify its decisions.

28. PAY ON APPOINTMENT AND PROGRESSION FOR UNQUALIFIED TEACHERS

The pay scale for Unqualified Teachers in this school is:

	Column A
Pay reference points	2019-20 rates <i>2.75% increase to all points</i> <i>Built on a 3.5% increase to all points in 2018-19</i>
Minimum	£17,682
Reference point 2	£19,739
Reference point 3	£21,794
Reference point 4	£23,851
Reference point 5	£25,909
Maximum	£27,965

The Local Governing Body will pay any unqualified teacher in accordance with this policy and the Document. The pay committee will determine where a newly appointed unqualified teacher will enter the scale, having regard to any qualifications or experience s/he may have, which they consider to be of value. The pay committee will also consider whether it wishes to pay an additional allowance, in accordance with the provisions of the Document.

To move up the main pay range, one annual point at a time, unqualified teachers will need to have met their objectives and demonstrated:

- An improvement in teaching skills;
- An increasing positive impact on pupil progress;
- An increasing impact on wider outcomes for pupils;
- Improvements in specific elements of practice identified to the teacher;
- An increasing contribution to the work of the school;

- An increasing impact on the effectiveness of staff and colleagues.

If the evidence shows that an unqualified teacher has achieved exceptional performance, the Local Governing Body may use its discretion to award enhanced pay progression of one additional point.

Information on sources of evidence is contained within the school's appraisal policy.

The Local Governing Body will be advised by the Headteacher in making all such decisions. Any increase (i.e. no movement, one point, more than one point) will be clearly attributable to the performance of the teacher in question. The Local Governing Body will be able to justify its decisions.

29. TEACHING AND LEARNING RESPONSIBILITY (TLR) PAYMENTS

The Local Governing Body may award a TLR to a classroom teacher in accordance with this policy and the Document. A TLR 1 or 2 will be for clearly defined and sustained additional responsibility in the context of the school's staffing structure for the purpose of ensuring the continued delivery of high quality teaching and learning. All job descriptions will be regularly reviewed and will make clear, if applicable, the responsibility or package of responsibilities for which a TLR is awarded, taking into account the criteria and factors set out in the Document.

The Local Governing Body may award a TLR3 of between £555 to £2,757 for clearly time-limited school improvement projects, or one-off externally driven responsibilities as set out in and taking into account the criteria set out in the Document. The governing body will set out in writing to the teacher the duration of the fixed term, and the amount of the award, which will be paid in monthly instalments. No safeguarding will apply in relation to an award of a TLR3. In accordance with the Document, the governing body will not award consecutive TLR3 payments for the same responsibility.

30. SPECIAL NEEDS ALLOWANCE

The Local Governing Body will award an SEN spot value allowance on a range of between £2,209 and £4,359 to any classroom teacher who meets the criteria as set out in the Document, where responsibilities are not separately recognised through payment on the leadership pay spine or through a TLR or other allowance.

When deciding on the amount of the allowance to be paid, the governing body will take into account the structure of the school's SEN provision, whether any mandatory qualifications are required for the post, the qualifications or expertise of the teacher relevant to the post; and the relative demands of the post.

- Additional defined responsibility;
- An expectation of very significant experience appropriate to the school's intake;
- An appropriate special educational needs qualification e.g. Advance Diploma in Special Educational Needs.]

The governing body will keep SEN allowances and associated responsibilities under regular review and ensure that any additional responsibilities are clearly specified in individual teacher's job descriptions, and are clear in the school's published staffing structure. Whilst the governing body may review SEN allowances at any time, normally, any review will be follow recommendations arising from the annual performance review meeting.

31. TEACHERS EMPLOYED ON A SHORT NOTICE BASIS

Teachers who work on a day-to-day or other short notice basis will have their pay determined in accordance with the Document. They will be paid on a daily basis, calculated on the assumption that a full working year consists of 195 days, with periods of work of less than a day being calculated pro-rata. This will be calculated by dividing the full-time equivalent annual salary by 195 and then dividing again by 6.5 to arrive at an hourly rate.

32. ADDITIONAL PAYMENTS

The Local Governing Body may make payments as they see fit to a teacher in respect of:

- Activities relating to the provision of initial teacher training as part of the ordinary conduct of the school;
- Participation in out-of-school hours learning activity agreed between the teacher and the Headteacher or, in the case of the Headteacher, between the Headteacher and the governing body;
- Participation in out-of-school hours CPD agreed between the teacher and the Headteacher;
- Additional responsibilities and activities due to, or in respect of, the provisions of services by the Headteacher relating to the raising of educational standards to one or more additional schools.

In accordance with the Document, no such payments will be made to the CEO or Headteacher.

The Local Governing Body will make additional payments to teachers in accordance with the Document where advised by the head/CEO (or Board of Trustees in the case of the CEO or Headteacher). Payment will be as the governing body see fit.

33. RECRUITMENT AND RETENTION INCENTIVE BENEFITS

The Board of Trustees/governing body can award lump sum payments, periodic payments, or provide other financial assistance, support or benefits for a recruitment or retention incentive for teaching staff.

The relevant Trust committee will consider exercising its powers under the Document where they consider it is appropriate to do so in order to recruit or retain relevant staff. It will make clear at the outset, in writing, the expected duration of any such incentive or benefit, and the review date after which they may be withdrawn.

The governing body will, nevertheless, conduct an annual formal review of all such awards.

In the case of the CEO, Headteacher, Deputy Headteachers and Assistant Headteachers, such payments will be limited to reasonably incurred housing/relocation costs where pay has been set under the 2014 or later Document (and has already been taken account of when determining base pay) and subject to the overall limits on pay set out in paragraphs 22.16 and 22.17 of this policy.

35. HONORARIA

The local governing bodies will not pay any honoraria to any member of the teaching staff for carrying out their professional duties as a teacher, recognising that there is no provision within the Document for the payment of bonuses or honoraria in any circumstances.

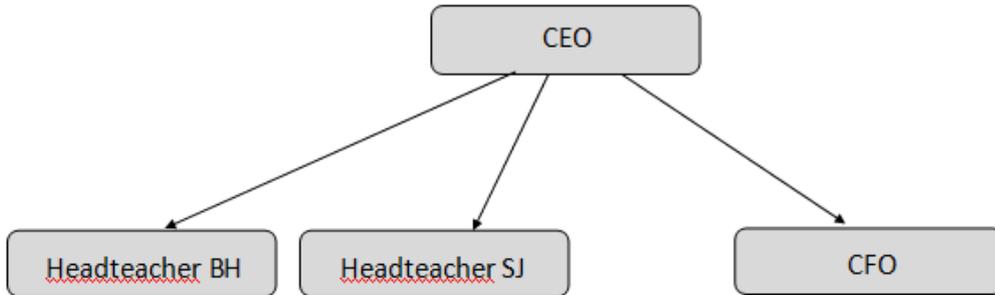

35. APPLICATION OF NATIONAL PAY FRAMEWORK UPLIFT TO SALARIES AND ALLOWANCES – SEPTEMBER 2020

Any agreed uplift to the national pay framework will be applied to all pay ranges, salaries and allowances in payment on 1 September 2020

APPENDIX 4 - APPEALS PROCEDURE

Introduction

As part of the overall appraisal process, a pay recommendation is made by the appraiser (normally the line manager) and discussed with the employee at their review meeting prior to being submitted to the school's Local Governing Body or relevant decision maker.

At this particular stage of the pay determination process, if the employee wishes to better understand the rationale for the pay recommendation or bring any further evidence to the attention of the appraiser/reviewer, they should be given the opportunity to do so before the final pay recommendation is drafted in the appraisal report. The nature of any subsequent appraisal and pay discussion will be informal and therefore representation (on either side) is not necessary nor would it be appropriate. At the conclusion of any further discussion, the pay recommendation may be adjusted or it may remain the same; the appraisal report will be updated to reflect the discussion.

If the employee believes that the final pay recommendation/decision falls short of their expectations and they wish to seek a further review of the information that affects their pay, they may wish to formally appeal against the decision, utilising the formal Appeal Hearing Procedure. Appeal Hearings against pay decisions must satisfy the dispute resolution requirements of employment law (i.e. Part 4 of the Trade Union and Labour Relations (Consolidation) Act, 1992) and the ACAS Code of Practice. Employees have a statutory right to be accompanied at any stage of a formal appeal hearing by a companion who may be either a work colleague or a trade union representative.

Appeal Procedure Steps: Informal Stage

An employee may seek informal review of the pay recommendation made by their appraiser, using the approach described above. There is no requirement to submit their concerns in writing under the informal stage of the appeal procedure, although doing so may help clarify the concerns/evidence in support of a review of the pay recommendation.

Appeal Procedure Steps: Formal Stage

If an employee wishes to exercise their right of appeal under formal procedures, they must write to the Chair of the Board of Trustees at the earliest opportunity and normally within 10 school working days of the written advice of their pay determination, or the conclusion of discussions under the informal stage of the procedure. Written notification of the appeal should include a statement of the grounds of the appeal and sufficient details of the facts on which they will rely.

On receipt of the written appeal, the Chair of the Board of Trustees will establish an Appeal Committee that should consist of three governors, none of whom are employees in the school or have been previously involved in the relevant pay determination process and convene a meeting of the Appeal Committee. The meeting will be convened at the earliest opportunity and normally no later than 20 school working days

after the date on which the written appeal was received. Both “the recommendation provider” and “the decision maker” will be required to attend the meeting.

The Chair of the Appeal Committee will invite the employee to set out their case. Both “the recommendation maker” and “the decision maker” will also be asked to take the committee through the procedures that were observed in their part of the pay policy determination process.

Following the conclusion of representations and questions by all relevant parties, the Appeal Committee will then consider all the evidence in private and reach a decision. The Appeal Committee will write to the employee notifying them of their decision and the reasons for it. Other attendees at the meeting will also be notified of the decision. The decision of the Appeal Committee is final.

The Modified Procedure

There will be no entitlement to invoke the appeal procedure in relation to a pay decision if the teacher has left the employment of the school.

Where an employee has, whilst employed at the school, lodged an appeal against a pay decision but has then subsequently left the school’s employment before any appeal hearing is held, the following steps will be observed:

1. The employee must have set out details of their appeal in writing;
2. The employee must have sent a copy of their appeal to the Chair of the Board of Trustees;
3. The Chair of the Board of Trustees will consult with relevant school personnel and provide the employee with an appropriate written response on behalf of the Trust.
